The newly restored lobby in The Historical Hotel Limpia is pictured here to the right. It features hardwood floors with period furniture and light fixtures. It is the place that welcomes our guests with cool breezes that gently flow through this serene space inviting you to stay and relax with us!

Shakespeare was at the Bistro!

The Sul Ross Theatrical Society performed excerpts from Shakespeare’s “Merchant of Venice” on Sunday September 9th. Elizabethan music was performed by guitarist Marina Azar & one of Blue Mountain Bistro’s chefs, violinist Betty McGehee. The song “Scarborough Fair” was performed a capella by our own strolling vocalist Brendy McBride. Hors’oeuvres prepared by absolutely magical chefs and served by our top notch wait staff were all courtesy of the Hotel Limpia and Blue Mountain Bistro. The event was held in the beautiful patio garden on the grounds. Donations for this event will benefit the Jeff Davis County Library.

“I like this place and could willingly waste my time in it.”

Shakespeare
The historic Hotel Limpia, built in 1912, comes under new ownership and management! David & Ana Schreiber acquired the landmark hotel and opened October 26, 2011. The hotel Ballroom and Lobby have been completely remodeled in keeping with the early 1900’s style. The courtyard area received a completely new look by adding picturesque raised rock flower beds, an elevated space that can be used as a stage, and a wonderful open space that can be used for dancing, parties and receptions and even weddings. There are several ancient trees in the courtyard which create a protected shady alcove to relax, have a drink, read or just watch the world go by.

Blue Mountain Bistro Opens!

In late March 2011 the Schreibers added a newly renovated restaurant to the amenities that The Hotel Limpia offers. The Blue Mountain Bistro has Country French charm and décor and offers some of the finest cuisine in the area. Menu highlights include Steak & Frites, Mussels with White Wine, Grilled Salmon and house made desserts. Attached to the Bistro is a handsome full bar featuring wonderful views of the courtyard and hotel. Come and step back into a slower pace at Ft. Davis!
The picture above is of the Ranch Women’s Luncheon held on The Hotel Limpia’s charming glassed in veranda. The event was to honor the local women who have spent their lives in the ranching industry in West Texas. This space also makes a beautiful setting for wedding receptions and other events.
